

10 APR 13 A9:01

STATE PROCUREMENT OFFICE  
EMERGENCY PROCUREMENT REQUEST

STATE PROCUREMENT OFFICE  
STATE OF HAWAII

1. TO: Chief Procurement Officer

2. FROM: Department of Transportation / Highway Division/ Oahu Dist.

Department/Division/Agency

Pursuant to §103D-307, HRS, and Subchapter 10, Chapter 3-122, HAR, the Department requests approval for the following:

3. Date 2/19/2009

4. After the fact ☒ YES ☐ NO

5. Nature of the Emergency

The Makaha Bridges No. 3 and No. 3A are wooden timber bridges that were built in the 1930s. Both bridges have severe cracking and wood rot in the deck beams which could fail from heavy loads driven onto the bridge by large vehicles by the articulating buses and fire trucks. Both bridges have two lanes and due to weight restrictions onto the bridge, the mauka lanes on both bridges have been closed to traffic.

6. Vendor: Ideal Construction

Address: 1036 Ulupno St. Honolulu, Hi 96819

7. Price:

\$117,973.88

8. Description of goods, services, or construction to be purchased

Ideal Construction will install sixty-five W10X22 Steel I-beams under the The Makaha Bridges No. 3 and No. 3A bridge deck. The contractor will all repair the damaged pothole asphalt concrete pavement on both bridges.

9. Reason for Vendor Selection

Ideal Construction is familiar with both bridges having done emergency repairs to the Makaha Bridges No. 3A in August 2006 after it was set on fire, and the the Makaha Bridges No. 3 in November 2008 was reinforced with steel I-beams when it was discovered that center deck beams were severely cracked.

10. Direct questions to: Charles Lee

Phone: 831-6792

11. I certify that the information provided above is to the best of my knowledge, true and correct.

12. Chief Procurement Officer's comments:

According to the request, the department has been aware of the deterioration of the bridges since August 2006 and November 2008 due to prior emergency repairs. The department shall properly manage these types of maintenance/service requirements and competitively solicit for such services on a timely basis, and not rely on the emergency procurement provisions.

Approval is granted with the understanding that the potential failure of both bridges may be eminent that could impact vehicle and pedestrian safety. This approval is for the solicitation process only, HRS section 103D-310(c) and HAR section 3-122-112, shall apply. Department is reminded that this award is required to be posted on the Procurement Reporting System.
